RAWFILL PROJECT

Partner's presentation:
SAS Les Champs Jouault

Located in Cuves, on Normandy in France.

Since 2009, we exploit a waste landfills as bioreactors, authorised at 75,000 tonnes of waste per year for 20 years (municipal and industrial).

Partner's presentation:
SAS Les Champs Jouault

Partner's presentation:
SAS Les Champs Jouault

Our role in RAWFILL:

- Collect french's information about landfill and landfill minning experiences,
- To make available our site (an operated landfill) and carry out the tests necessary for pilot n ° 2,

Our interest in RAWFILL:

- Improve knowledge of Landfills potential and consider waste as a resource,
- Redefine the role of the new landfill with landfill minning technical approach
